CANTILEVER GATE PRODUCT CATALOG

ABOUT **US**

Garex Industries is a certified American Woman-Owned enterprise providing wholesale design, manufacture, and supply of hardware solutions to the Americas since 2013.

From concept and initial design, to mold manufacture and fabrication, all product development is based out of Istanbul and done internally by our dedicated design professionals and technicians. Beyond production, Garex extends its capabilities to logistics, inventory management, and shipping coordination, providing each client with superlative design to delivery service.

Garex is a family owned and operated company providing sales representation in the U.S. for our Istanbul-based manufacturing organization. Our experienced staff ensures the highest **QUALITY** solutions while focusing on increasing **PROFITABILITY** for all operations.

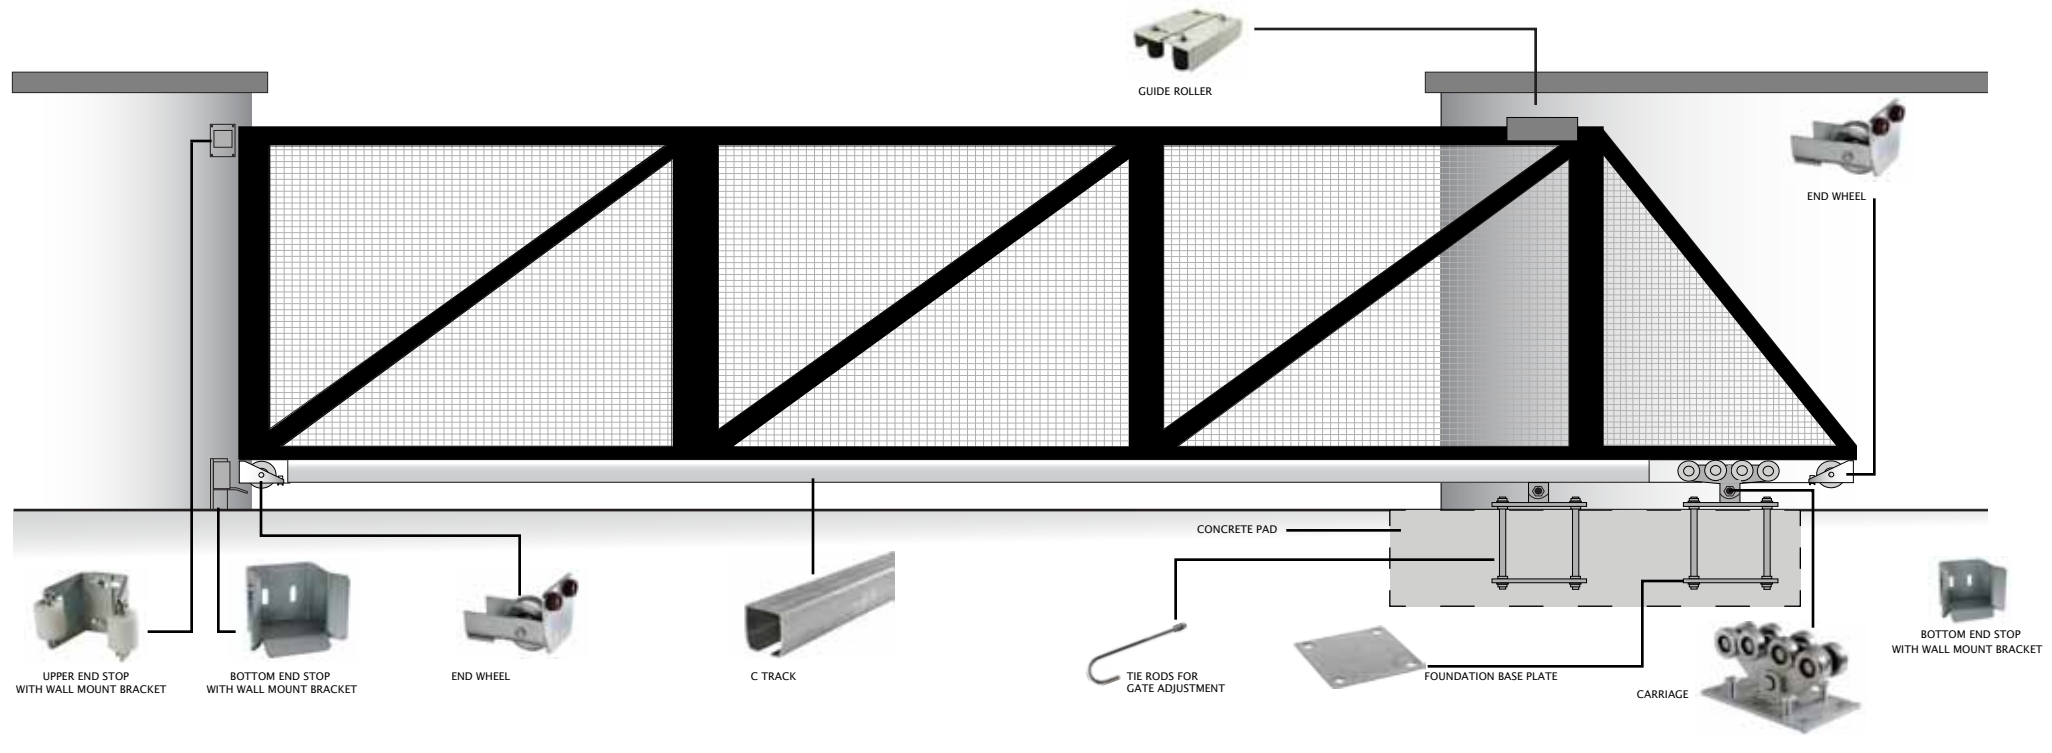

OUR CONNECTIONS

All of our products today are made in Istanbul and distributed through Garex directly to our clientele.

CANTILEVER SLIDING GATE SYSTEM – PAD MOUNT

CANTILEVER GATE SYSTEM HARDWARE PAD MOUNT DETAILS

THERE ARE 4 SIZES OF CANTILEVER SYSTEMS AVAILABLE BASED ON THE GATE'S LENGTH AND WEIGHT: MINI, S, M, L

SYSTEM SIZE	TRACK DIMENSIONS	MAX. GATE OPENING	WEIGHT CAPACITY
MINI	49X44 MM	4 M/13 FT	200 KG/440 LBS
SMALL	68X68 MM	6 M/20 FT	400 KG/880 LBS
MEDIUM	100X90 MM	12 M/40 FT	700 KG/1,540 LBS
LARGE	140X140 MM	18 M/60 FT	1,000 KG/2,200 LBS

CANTILEVER GATE SYSTEM HARDWARE- PAD MOUNT

CARRIAGE 8 WHEEL

Material : zinc-plated steel
Packaging : 2 per system

C TRACK

Material : galvanized steel
Packaging : 20' Tracks

BOTTOM END STOP

Material : zinc-plated steel
Packaging : 1 per system

END WHEEL

Material : zinc-plated steel
Packaging : 2 per system

UPPER END STOP

Material : zinc-plated steel
Packaging : 1 per system

GUIDE PLATES

Material : zinc-plated steel
Packaging : 1 per system

FOUNDATION BASE PLATE

Material : zinc-plated steel
Packaging : 2 per system M & L systems

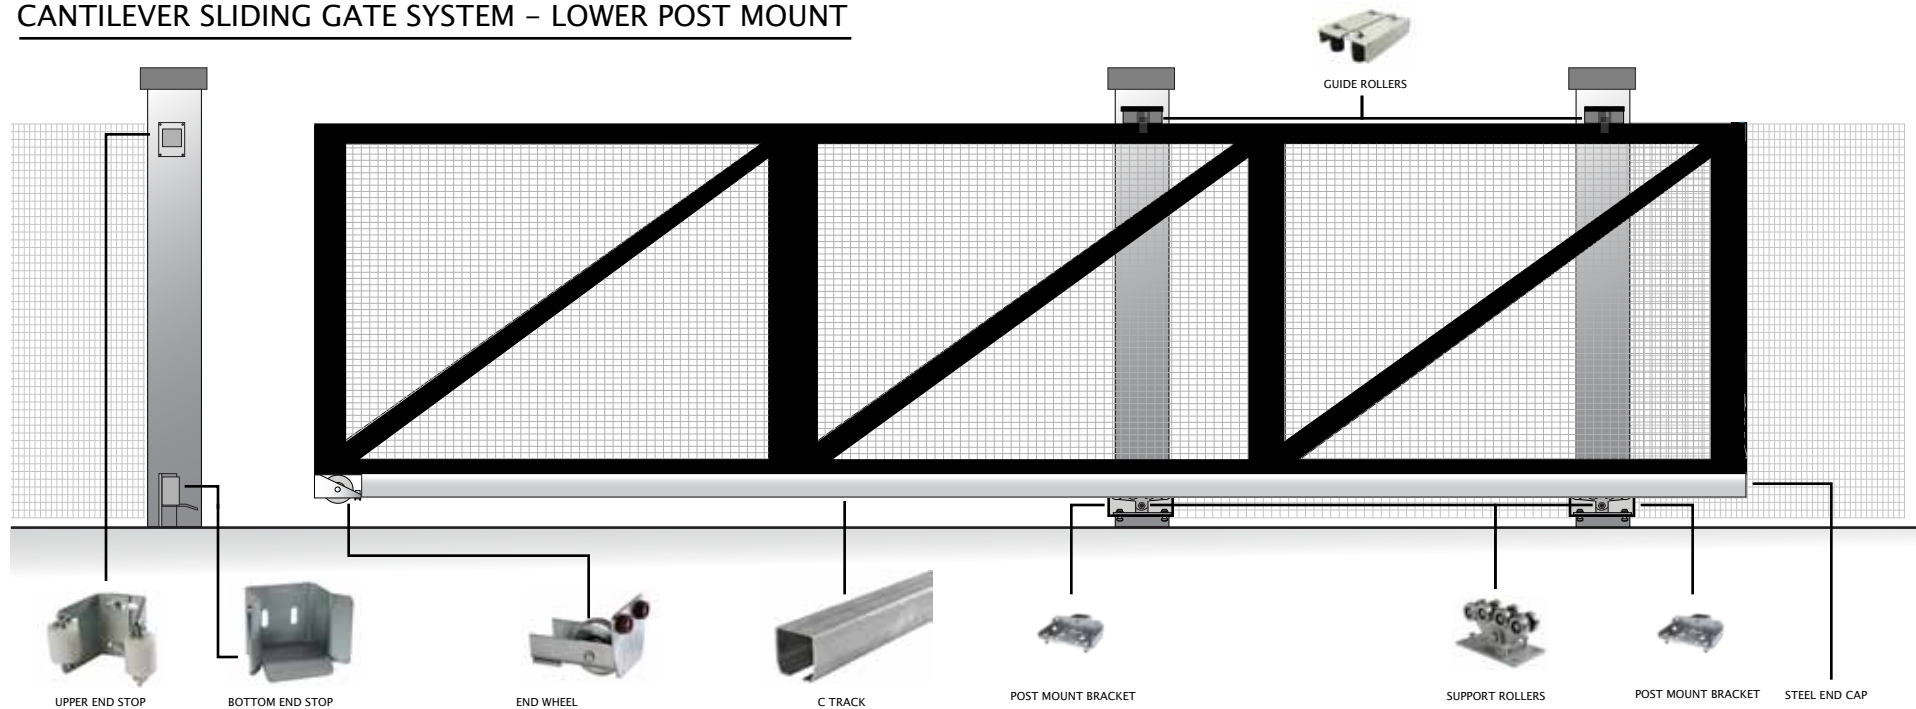

THREADED TIE RODS

Material : zinc-plated steel
Packaging : 8-12 per M & L systems

CANTILEVER SLIDING GATE SYSTEM – LOWER POST MOUNT

CANTILEVER GATE SYSTEM LOWER POST MOUNT DETAILS

THERE ARE 4 SIZES OF CANTILEVER SYSTEMS AVAILABLE BASED ON THE GATE'S LENGTH AND WEIGHT: S, M, L, XL

SYSTEM SIZE	TRACK DIMENSIONS	MAX. GATE OPENING	WEIGHT CAPACITY
S	49x44 MM	4 M/13 FT	200 KG/440 LBS
M	68x68 MM	6 M/20 FT	400 KG/880 LBS
L	100x90 MM	12 M/40 FT	700 KG/1,540 LBS
XL	140x140 MM	18 M/60 FT	1,000 KG/2,200 LBS

CANTILEVER GATE SYSTEM HARDWARE- LOWER POST MOUNT

CARRIAGE 8 WHEEL

Material : zinc-plated steel
Packaging : 2 per system

BOTTOM END STOP

Material : zinc-plated steel
Packaging : 1 per system

UPPER END STOP

Material : zinc-plated steel
Packaging : 1 per system

LOWER POST MOUNT BRACKET

Material : zinc-plated steel
Packaging : 2 per system

C TRACK

Material : galvanized steel
Packaging : 6' Sections

END WHEEL

Material : zinc-plated steel
Packaging : 2 per system

GUIDE PLATES

Material : zinc-plated steel
Packaging : 1 per system

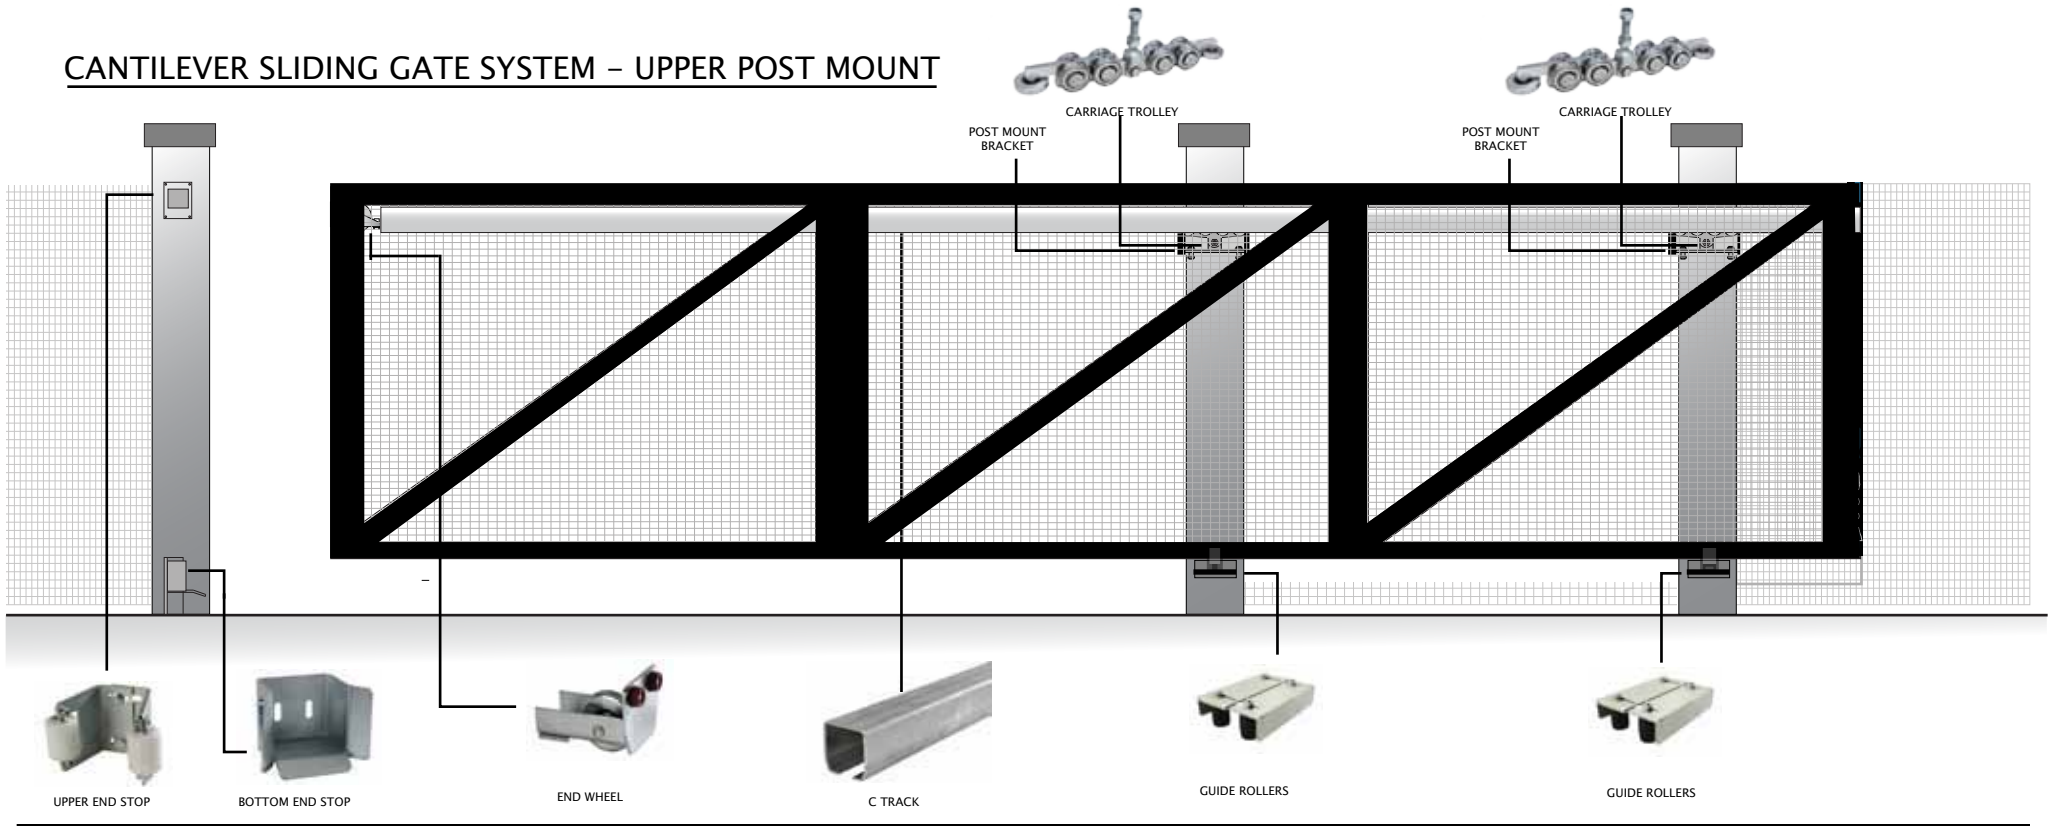

STEEL END CAP

Material : zinc-plated steel
Packaging : 1 per system

CANTILEVER SLIDING GATE SYSTEM – UPPER POST MOUNT

CANTILEVER GATE SYSTEM UPPER POST MOUNT DETAILS

THERE ARE 4 SIZES OF CANTILEVER SYSTEMS AVAILABLE BASED ON THE GATE'S LENGTH AND WEIGHT: S, M, L, XL

SYSTEM SIZE	TRACK DIMENSIONS	MAX. GATE OPENING	WEIGHT CAPACITY
S	49x44 MM	4 M/13 FT	200 KG/440 LBS
M	68x68 MM	6 M/20 FT	400 KG/880 LBS
L	100x90 MM	12 M/40 FT	700 KG/1,540 LBS
XL	140x140 MM	18 M/60 FT	1,000 KG/2,200 LBS

CANTILEVER GATE SYSTEM HARDWARE- UPPER POST MOUNT

CARRIAGE 8 WHEEL

Material : zinc-plated steel
Packaging : 2 per system

BOTTOM END STOP

Material : zinc-plated steel
Packaging : 1 per system

UPPER END STOP

Material : zinc-plated steel
Packaging : 1 per system

UPPER POST MOUNT BRACKET

Material : zinc-plated steel
Packaging : 2 per system

C TRACK

Material : galvanized steel
Packaging : 6' Sections

END WHEEL

Material : zinc-plated steel
Packaging : 2 per system

GUIDE PLATES

Material : zinc-plated steel
Packaging : 1 per system

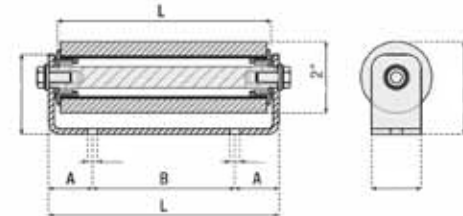

STEEL END CAP

Material : zinc-plated steel
Packaging : 1 per system

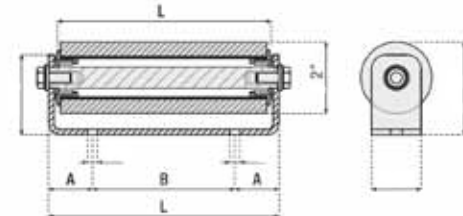

GUIDE ROLLERS

UHMW Non-Marring PE Roller with 1/4" Aluminum Bracket
COLORS: Black, White
SIZES: 3", 6", 12"

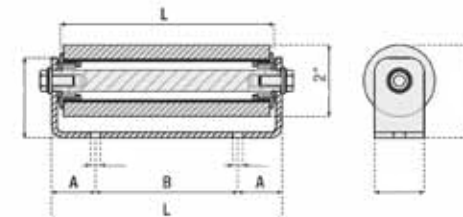

UHMW Non-Marring PE Roller with 1/4" Galvanized Bracket
COLORS: Black, White
SIZES: 3", 6", 12"

*Bracket thickness also available in 1/8"

UHMW Non-Marring PE Roller with 5/8" Galvanized Bolt
COLORS: Black, White
SIZES: 3", 6", 12"
